**Dr. Eddie Glaude, Jr.**

Dr. Glaude is the James S. McDonnell Distinguished University Professor and Chair of the Department of African American Studies at Princeton. He is a graduate of **Morehouse College** and serves on its Board of Trustees. He is a columnist for *TIME* Magazine. He is a regular commentator on programs like *Morning Joe* and *Deadline Whitehouse with Nicolle Wallace*, and *Meet the Press*.

Combining a scholar's knowledge of history, a political commentator's take on the latest events, and an activist's passion for social justice, Glaude challenges all of us to examine our collective American conscience, "not to posit the greatness of America, but to establish the ground upon which to imagine the country anew."
